Doug Wyrwicki - Treasurer MPMCA

The Flint PMC is proud to congratulate Doug Wyrwicki as he ends his year of service on the MPMCA Board of Directors in the position of Treasurer.

Doug continues to serve the Flint Association as a liaison to Habitat for Humanity. He is the long-time Chairman of the PMC's Negotiating Committee. He also continues to serve on Flint PMC's Board of Directors.

We applaud Doug for his efforts on behalf of the MPMCA and the total plumbing and mechanical industry.

Habitat for Humanity

The Flint PMC membership continues to be actively involved in Habitat for Humanity. This year we are sponsoring a number of houses where the PMC pays for the permits to do the mechanical work on these homes. UA 370 members donate the time to do the installation. In addition to our members donating money and materials for the projects, they also donate the contractors' trucks and tools for the installations.

New Labor Agreement

An extensive part of the summer was centered on the expiring contract. Labor negotiations this year took up most of the summer. In September we signed a two-year contract.
